

May 2009

Dear Business Owner/Manager:

Since July 1983, the City of Fullerton has charged a per call fee for paramedic services. This fee applies to residents and non-residents alike, and the amount of the fee depends on the type of service rendered. An ALS (Advance Life Support) charge is currently \$500 and BLS (Basic Life Support) charge is \$250.

As a Fullerton business, you have an alternative to these per call fees for your employees. You may subscribe as a business for \$42 for every 10 employees or portion thereof. For example, if you have 10 employees, your fee is \$42, if you have 11 employees, your fee is \$84. This annual fee provides paramedic services to you and your employees during business hours, at no additional cost, for the year July 1, 2009 to June 30, 2010.

**Important: The Fullerton Paramedic Subscription Program fee does not include ambulance cost. These fees are billed separately by the ambulance company.**

To sign up, simply fill out the application on the bottom of this form and enclose it with a check for the proper amount, payable to the 'City of Fullerton' and mail to:

**Fullerton Paramedic Subscription Program  
312 E. Commonwealth Avenue

**The Fire Department must receive your check before July 1, 2009, or you will be assessed a \$10 late fee.**
