Dear Business Owner:

Fullerton Municipal Airport is hosting “Wings Over Fullerton”: a full day event showcasing the Fullerton Airport and all that aviation has to offer. This event is one of three consecutive action-packed weekends celebrating the different transportation “gems” located in the City of Fullerton. Last year over 6,000 people, mostly families from our community, visited Fullerton Airport to see and participate in a wide variety of activities.

- Unique Aircraft on Display
- Tours of the Fullerton Airport Control Tower
- Plastic Model Aircraft Building Activities
- Airplane Rides
- Helicopter Rides
- Water Drop exercises by the OC Fire Authority Helicopter
- Fly overs in Vintage Airplanes
- Formation Fly-over by Air Combat USA
- Food Booths by local Scout troops and area restaurants
- And much more

Famous traffic reporter, helicopter pilot and television/radio presenter Commander Chuck Street will be officiating the event with lively commentary on all the activities scheduled to take place from 10:00 am – 4:00 pm.

Now you can help support this event and reach a large portion of the local community and aviation enthusiasts alike simply by purchasing a sponsorship level (see attached). Space in the program will be on a first-come-first-served basis, and the Admiral’s Club Sponsor is limited to just one business. Don’t miss your opportunity to be a part of this great event, and to write it off; a portion of the proceeds will be donated to local non-profits, including, but not limited to, the Fullerton Airport Pilot’s Association, Aviation Explorer Post 445, EAA Young Eagles and the Fullerton Chapter of the Ninety-Nines, Inc.

On behalf of the Fullerton Airport Day Planning Committee, we thank you in advance for your support and encourage you to join us on Saturday, May 13, 2017 as we celebrate “Wings Over Fullerton”.

Sincerely,

*Denise Jennings*

Fullerton Airport Day Planning Committee

# Wings Over Fullerton - Airport Day - Saturday, May 13, 2017
