You can make a difference

Become a Volunteer! The City of Fullerton is

looking for energetic individuals who have a love for children and a motivation to help improve the community. No matter your interests, major, experience-level, or time constraints, there is something for you. We offer a wide variety of programs to the community for infants, toddlers, schoolaged children, and teens.

Youth Mentors will assist, lead, and supervise in various activities. The programs are held Monday – Friday during the after-school hours and evening hours.

why Volunteer?

Volunteering with the City of Fullerton not only can greatly improve the lives of children and make our community stronger, but it can also greatly impact your life. Research shows that those who volunteer live longer, healthier lives. In addition to feeling great about your efforts, volunteers have the opportunity to:

- Explore personal interests and passions
- Attend trainings to broaden personal and professional skills
- Include experience on resume or community service requirements
- Develop new relationships and make friends
- Learn, grow and HAVE FUN!

For more information or to apply, please call Aaron Orozco, Recreation Supervisor at (714)738-5360.
