 Rob Hallstrom
 Jay Park

COMMISSIONERS ABSENT: Robert Duncan
 Stephen Hall, Vice Chair

STAFF PRESENT: Mark Miller, City Traffic Engineer
 Dave Langstaff, Traffic Engineering Analyst
 Craig Brower, Police Lieutenant
 Stacy Matsumoto, Permit Technician

The meeting was called to order by Chair Duvignau at 4:00 p.m.

PUBLIC COMMENTS

No one from the public wished to speak on any item not appearing on the agenda.

APPROVAL OF MINUTES

MOTION made by Commissioner Rizzo SECONDED by Commissioner Park, and CARRIED unanimously, that the Minutes of the October 4, 2010 meeting be APPROVED as written.

REGULAR BUSINESS

WILLIAMSON AVENUE – 30 MINUTE PARKING

City Traffic Engineer Mark Miller presented this item. The request came from property owners on the north side on Williamson Avenue because of continuous long term parking in front of their businesses. Staff's recommendation was to install 30-minute parking on the north side of Williamson Avenue from Euclid Street to 125 feet west of Woods Avenue, between the hours of 5:00 a.m. and 5:00 p.m., Monday through Friday.

Commissioner Simmons asked if there was sufficient parking for employees because cars are parked bumper to bumper on the street.

Dave Langstaff replied that he spoke to the property owners and they stated that they had ample parking for their employees.

Lieutenant Brower stated that most of the cars belong to the auto body shops.

MOTION made by Commissioner Hallstrom, SECONDED by Commissioner Simmons, and CARRIED unanimously to approve the installation of 30 minute parking on Williamson Avenue.

VALENCIA MESA DRIVE – NO STOPPING ANYTIME

City Traffic Engineer Mark Miller presented this item. Staff's recommendation was to install no stopping anytime on the north side of Valencia Mesa Drive from the centerline of Harbor Boulevard to 288 feet west of Harbor Boulevard. The parking structure and surface lots are completed and the removal of the parking in front of the Bank of America and doctors offices will eliminate the blocked sight distance as cars are exiting the parking lots.

MOTION made by Commissioner Simmons, SECONDED by Commissioner Rizzo, and CARRIED unanimously to install no stopping anytime on the north side of Valencia Mesa Drive.

CASA BLANCA – NO STOPPING

City Traffic Engineer Mark Miller presented this item. Staff's recommendation was to install no stopping between the hours of 7:30 a.m. and 3:30 p.m., Monday through Friday, non-school days exempt, on the west side of Casa Blanca Drive between Fern Drive and Barris Drive.

Public comment was opened and closed.

MOTION made by Commissioner Rizzo, SECONDED by Commissioner Park, and CARRIED unanimously to approve the No Stopping Anytime on Casa Blanca.

SELECTION OF A REPRESENTATIVE FOR THE BICYCLE USERS SUBCOMMITTEE

This item will be brought to the next meeting.

COUNCIL ACTIONS

- Approval of the Fullerton Transportation Center Specific Plan
- Approval of Resident only permit parking – 600 block W. Princeton Circle, 500 block E. Princeton Circle, & Brookdale Place

ADJOURNMENT

There being no further business, the Transportation and Circulation Commission adjourned at 4:28 p.m. until the next regularly-scheduled meeting of December 6, 2010, at 4:00 p.m.

Stacy Matsumoto
Permit Technician
