

Planning Commission Study Session

The City of Fullerton Planning Commission will be holding a Study Session regarding the proposed project at the location referenced below. You are receiving this notice because you attended a Community Meeting regarding this project in September, 2015.

No action will be taken by the Planning Commission regarding this project at this meeting.

Study Sessions provide the Planning Commission with the opportunity to learn more about a project and ask questions of the City and the applicant in a more informal manner.

Date:	Wednesday, April 27, 2016
Time:	7:00 p.m.
Meeting Location:	City Council Chambers 303 W. Commonwealth Avenue Fullerton, CA 92832
Project Applicant:	Red Oak Investments

Project Description: The applicant, Red Oak Investments, is proposing to construct a 3 and 4-story, 295-unit mixed use development. The project proposes commercial uses on the ground floor facing Commonwealth Avenue with residential units on the upper floors. Amenities including pool, fitness room, business center and club houses are proposed. Vehicle access is taken from Commonwealth and Williamson Avenues with residential access primarily taken from Williamson Avenue. The property currently contains an automotive repair business.

Project Location: 600 W. Commonwealth Avenue
Fullerton, CA 92832
