

Dear Vendors,

This May 13th, the Fullerton Municipal Airport is hosting its fourth annual "Wings Over Fullerton" Airport Day, a full day event showcasing the Fullerton Airport and all that aviation has to offer. This high flying affair is part of three consecutive action-packed weekends celebrating the different transportation "gems" located in the City of Fullerton; Trains Planes & Automobiles. This event has quickly gained popularity among both Fullerton residents and the local aviation community with an average of 7,000 people in attendance.

The success of this event is dependent upon the services provided by our vendors and the generosity of our sponsors. Exhibit and vendor spaces are available on a first come first served basis.
