**NOTICE TO APPLICANT:**

1. UNDERGROUND SERVICE ALERT AT 1-600-422-4133 will be notified by applicant at least 2 working days in advance of any excavation and an Underground Service Alert Inquiry identification Number will be obtained from Underground Service Alert. CONTACTING U.S.A. DOES NOT RELIEVE CONTRACTOR OF RESPONSIBILITY FOR LOCATING OR PROTECTING EXISTING UTILITIES.
2. A new permit will be required in the event work is not completed prior to the permit expiration date, if approved. The City Engineer may extend the time limit of the permit due to excusable conditions.
3. The applicant will make all arrangements and be responsible for the moving and protection of poles, hydrants, meters, trees, and other **surface and subsurface facilities that interfere with the work under this application for a permit.**
4. The applicant will guarantee all materials utilized and all work performed under the requested permit for a period of one year from the date of **acceptance. Failures will be corrected within two weeks after notification, to the satisfaction of the City Engineer.**
5. Failure to comply with the terms and conditions of any permit issued, shall be grounds for cancellation of said permit and rejection of all work.
6. I have read this application and all statements hereon are correct and complete. I agree to perform all work in accordance with the Standard Specifications for Public Works Construction on file in the office of the City Engineer, and with all applicable city ordinances and codes.

I HAVE READ AND UNDERSTAND ALL OF THE ABOVE:
