Free Flu Shot

1 DAY ONLY

STOP the FLU BEFORE IT STOPS YOU!

Help your community prepare for health emergencies!

Free seasonal flu shots (at least 1,500 at each location) will be provided to adults and children (2 years of age and older) on a first-come first-served basis.

Friday, October 29, 2010  11:30 a.m. - 2:00 p.m.

2010 VACCINE INCLUDES H1N1, eliminating the need for multiple flu vaccinations!

Remember — You cannot receive a flu shot if
- You are sick on the day of vaccination,
- You are allergic to eggs,
- You have previously had a reaction to a flu shot,
- You have a history of Guillain Barre Syndrome.

Seasonal Influenza vaccine is recommended for:
- All healthy persons 6 months and older
- Adults who:
  - Are 50 years of age and older
  - Are pregnant during the flu season
  - Have chronic pulmonary, cardiovascular, renal, hepatic, cognitive, neurologic/neuromuscular, hematological, or metabolic disorders
  - Have immune-suppression
  - Are health-care personnel
  - Are household contacts and caregivers of:
    - Children age 5 years and younger and adults age 50 years and older, especially contacts of children less than 6 months of age
    - Persons with medical conditions described above.
