

AutoPay Enrollment Application

Enjoy the convenience of having your utility bill paid automatically from your bank account—no checks to write and no due dates to remember. To enroll, please complete this application, sign and date it, and return it along with a voided check. Enrollment will begin after your first utility bill has been paid. Please note that enrollment cannot be processed if a bill has already been issued. You will know your enrollment is complete when you receive a utility bill marked “Auto Pay – DO NOT PAY.” This confirms that your payment will be automatically drafted from your bank account on the due date shown on your bill, ensuring your account remains current without any additional action on your part.
