CATEGORIES OF VENDORS

The Fullerton Night Market extends participation to vendors in several categories but places a preference on handcrafted items, food items, and certified produce. Limited space is available to non-handmade, or business vendors based on a review of the items and space availability at the Market. Products may be rejected based on necessity. In addition, the market absolutely does not guarantee the exclusivity of a product to any vendor. The market has the right to limit the number of spaces containing duplicate and/or similar items or services.

Any questions regarding the acceptance of your product or service for the Fullerton Night Market should be directed to the Market Manager at (657) 683-4661.

CERTIFIED FARMERS

The Fullerton Night Market operates at the Fullerton Night Market under State and County regulations. Prospective farmers will be referred to the Market Manager.
